## ARBOR - OUR NEW SCHOOL COMMUNICATION APP

We will soon be moving our school to parents communications from School Ping to Arbor, our new Management Information System. It will work in very much the same way as School Ping and more. Once you have downloaded the Arbor App and set up your username and password, you will have access to The Parent Portal and Arbor App will let you register your child for a club or visit, book parents' evening slots, and manage payments all from your phone or computer. You will also be able to check in on your child's attendance, behaviour and progress.
