## YEAR 5 UPTON LANE MOSQUE VISIT

Year 5 visited a local Mosque in Forest Gate, where they consolidated their current RE learning about Islam and found out about what Muslims do in a Mosque. It was a very interactive and engaging experience. Children got to ask lots of questions, which were answered by the Imam and they really enjoyed the visit.

## DIGITAL LEADERS VISIT BETT FAIR

Last week, our Digital Leaders visited The Bett Show at the ExCel Centre with Mr Ahmed and Mrs Sooby. During the visit, the children explored the latest innovations in technology, with hands on demonstrations from a team of experts.

They had a chance to use some of the latest computers and software and they even go to play noughts and crosses with the intelligence of AI. They all thoroughly enjoyed the visit and have shared some new ideas with the teachers back at school.

## TATE & LYLE - YEAR 6 VISIT

Last week, Year 6 went to Tate and Lyle Sugar factory for the Junior Citizens program, which teaches them about how to use transport, staying safe online and fire safety. Tate and Lyle has a long history of supporting its local communities, dating back to the 19th Century and the philanthropy of the co-founders Henry Tate and Abram Lyle. During the visit, the children were taken through potentially life-saving scenarios such as 'stranger danger,' contacting the emergency services, fire awareness and safety. They competed against each other to see which team was most knowledgeable!

Well done, Year 6!
