Dear Parents/Carers,

We've had a very successful week at Monega this week. The pupils have been working hard in their new books. Their effort has been incredible. It is really important that pupils get a chance to articulate their learning. So we encourage all parents to engage with their children about what they have been learning about at school.

Today, we welcomed some very special visitors from Jersey that spent the day with us at Monega. Our visitors spent time observing classes and engaging with pupils about their learning process. They were very impressed with everything that they saw.
